Subject: FW: 10-25-0002 Utah Stream Alteration Application

Daren, this project is going to require submitting a Pre-Construction Notification to us because they are impacting wetlands. Therefore will need separate permitting from us. I'll be in touch with the applicant.

Thanks,

John Derinzy

Subject: 10-25-0002 Utah Stream Alteration Application
Importance: High

Application to Alter a Natural Stream No. 10-25-0002 (SPRING CREEK) has been filed in the office of the Utah Division of Water Rights. Your comments are requested so we can evaluate any impacts caused by the project. Information regarding the application can be accessed on the INTERNET by pointing a WWW browser to
http://waterrights.utah.gov/cgi-bin/strmview.exe?Permit_Number=10250002&Modinfo=Viewapp.

We are requesting that all comments be returned to our office prior to May 26, 2010. If we do not receive comments by that date, we will assume you have no input on the proposal outlined in the application.

If you have any questions or comments, feel free to contact me by email at: JUDYMATTSON@UTAH.GOV or phone me at (801) 538-7414.
